## The Owl

Chilling echos  
Silent vings  
Somber goddess  
Feathered king  
Haunted weeping  
Ghostly cry  
Stars are watching  
Shadows fly  
Guardian noble  
Remnant knight  
Solemn guardsman  
Taking flight  
Grieved and  
hopeless  
Kingdom fades  
Night is swallowed  
By the day  
Gliding swiftly  
Scudding clouds  
Savor moonlight  
Hush! No sound
